

Red: Trump Airtime | Blue: Harris Airtime

Red: Trump Airtime | Blue: Harris Airtime

A horizontal timeline bar with a black border, filled with a light gray color. Below the bar, time markers are placed at one-hour intervals: 0:00, 1:00, 2:00, 3:00, 4:00, 5:00, 6:00, 7:00, and 8:00.

Timeline of the day from 0:00 to 11:00. Blue bars indicate sleep periods: 0:00-1:00, 1:00-3:00, 4:00-4:30, 5:00-5:30, 6:00-6:15, and 10:00-10:30. Red bars indicate wake periods: 7:00-8:00 and 9:00-9:30.

A horizontal timeline with a light gray bar representing a duration. The bar starts at 0:00 and ends at approximately 10:45. The timeline is marked with hourly intervals from 0:00 to 11:00.

Time	Event
0:00	Start
1:00	
2:00	
3:00	
4:00	
5:00	
6:00	
7:00	
8:00	
9:00	
10:00	
10:45	End
11:00	

A horizontal timeline with a light gray bar representing a duration. The bar starts at 0:00 and ends at 5:00. The timeline is marked with labels at 0:00, 1:00, 2:00, 3:00, 4:00, and 5:00.

A horizontal timeline from 0:00 to 7:00. A grey bar starts at 0:00 and ends at 6:45. Vertical grid lines are at 1:00, 2:00, 3:00, 4:00, 5:00, 6:00, and 7:00.

The chart displays the distribution of 1000 tweets across the day from 0:00 to 12:00. The x-axis represents time in hourly increments. The y-axis represents the number of tweets, with a scale from 0 to 1000. The chart shows a high concentration of tweets between 8:00 and 10:00, with a peak around 9:00. There are also smaller clusters of tweets in the morning and evening.
